Get ready to make some great concoctions with this chemistry collection. Mixologists will have a blast with this collection that features capacities right on the glass. Available in a number of different sizes.

This glass chemistry beaker measures 3" DIA. x 4" H and holds 8-1/2 ounces – an ideal capacity for serving your cocktails! While this piece is also perfect for mixing thanks to its clearly marked capacities and chemistry-inspired design, it's also a playful way to serve your margaritas and other cocktails. Pair it with more from the Chemistry Collection for a playful and charming look.
