It's hard to top marble when it comes to evoking sophistication, but let's be honest—it's just not practical for everyday use. Melamine that looks just like marble, though? Now we're onto something. We created these serving boards to have all the elegance and luxury of marble, plus the many functional benefits of melamine. They're nearly indestructible, lightweight and dishwasher-safe, so they can handle the rigors of a high-volume restaurant without missing a beat. Let's see marble do that. Not recommended for microwave use.

The 17-1/4" diameter of this elegant faux white marble melamine platter gives you ample space to show off hors d'oeuvres and desserts. They'll pop against the upscale white marble finish. This platter is crafted from melamine, meaning it's easy to carry and difficult to break. Pair this versatile, break-resistant platter with items from our vintage buffetware for an elegant aesthetic.
