It's hard to top marble when it comes to evoking sophistication, but let's be honest—it's just not practical for everyday use. Melamine that looks just like marble, though? Now we're onto something. We created these serving boards to have all the elegance and luxury of marble, plus the many functional benefits of melamine. They're nearly indestructible, lightweight and dishwasher-safe, so they can handle the rigors of a high-volume restaurant without missing a beat. Let's see marble do that. Not recommended for microwave use.

This 21-1/2" DIA. X 1-1/8" H faux marble serving board will have your breakfast pastries or charcuterie looking like a masterpiece. Melamine is extremely durable, lightweight and stain resistant, so you can get the stately look of marble with the efficiency of melamine. Underneath, this board has four round feet that slightly elevate it off of the table. Don't be surprised if your guests start snapping pictures of their meal before digging in. Not recommended for microwave use.
