Cocktailing is an art. These whisks are a mixologist's right-hand memory maker. Available in a number of sizes, you will always find the perfect option for any size glass.

Ensure every corner of your glass is perfectly mixed thanks to the angular design of this 10" L stainless steel bar whisk. It has a slender build that provides an easy grip, and it's long to accommodate glasses of all shapes and sizes. The stainless steel construction is highly durable and dishwasher-safe, so it's built to last. Whip up egg white cocktails like the Pisco Sour or the Ramos Gin Fizz in style! Pair it with our Stainless Steel Bar Utensils so you have all the tools you need for an efficient bar.

- Stainless Steel
- Silver
- Dishwasher Safe
- Handy, Must-Have Tool
