Our Crave Collection of break-resistant melamine dinnerware offers a look that is far from your grandma's melamine. Fast forward to the 21st century, where technological advancements in designs, materials and manufacturing techniques create artisan-quality melamine that captures the look and feel of china – all at a fraction of the cost and two to three times the service life. NSF-certified and BPA-free, the Crave Collection is safe in terms of durability, design and ability to be thoroughly sanitized. In a wide variety of plates, platters, bowls and mugs, each artisanally designed piece features organic edges to elevate food service everywhere.

Measuring at 21 inch L X 12-7/8 inch W x 2 inch H, this versatile white (Cloud) rectangular melamine serving platter is the ideal way to serve up large portions. The coupe shape allows you to use every bit of surface area for your culinary creations. And the Crave Collection's signature organic edge provides both a rustic touch and a contemporary flare.
