Elevate your seafood presentation with these affordable hammered metal seafood trays. Available in a variety of colors and materials, these trays combine contemporary materials with old world styling to offer both an authentic artisan aesthetic and practical, durable display functionality.

Serve your seafood in a luxurious fashion with this incandescent 12" diameter copper-colored hammered aluminum seafood tray. Its double wall design provides insulation to maintain cold temperatures and reduce sweating when serving seafood on ice, keeping delicate food fresh for extended periods of time. Pair this tray with its 14" counterpart (ADSEAC14) and one of our seafood display racks for an opulent presentation that catches the eye of any customer.
