These hand-blown glass designs feature an inner chamber for vinegar and an outer chamber for oil, keeping everything in one place for easy service.

Make serving oil and vinegar as easy as it is delicious with this elegant, intriguing glass cruet. The outer capacity is perfect for oil thanks to its 10-1/2 ounce capacity, while the inner chamber holds 2 ounces of vinegar. The glass construction adds artistic and upscale flare to the table. Pair this piece with one of our faux olive wood serving boards for a rustic look.
