One thing is for certain – no kitchen is complete without a measuring spoon set! Luckily, we offer three different styles, so you can choose the set that most fits your needs. All of the spoons in our sets are conveniently engraved with their size capacity, allowing for easy identification and accurate measuring of ingredients. You can now create consistent recipes that “wow” your guests every time. Also, for your convenience, each set is held together with an O-ring. Unlike standard plastic measuring spoons, these professional stainless steel spoons will stay perfectly intact for the long haul.

Complete your commercial kitchen or bakery with this stainless steel measuring spoon set! Featuring a classic bowl style and comfortable wide handles, this set includes 4 pieces (1 tablespoon, 1/2 tablespoon, 1 teaspoon, and 1/2 teaspoon). Each spoon's handle has a size engraving, ensuring easy identification and accurate measuring of ingredients for consistent recipes. Your customers are sure to be impressed by your flawless creations! Designed with durability as a top priority, these spoons are made of corrosion- and rust-resistant stainless steel. The measurement engraving will stay perfectly intact, even with repetitive use. Best of all, these spoons are conveniently held together with an O-ring, allowing you to easily nest or hang them for space-saving, organized storage. Use this measuring spoon set at your restaurant, bakery, cafe, or hotel kitchen. Dishwasher safe for easy handling.
