Upgrade your serveware with our rustic round pressed wood pizza peels! Featuring a natural beige color and smooth exterior, these peels are a creative solution for serving a variety of foods in a way that makes you stand out from the rest. Plus, with the comfortable handle, carrying food from the kitchen to your patrons is a total breeze. Designed with food safety as a top priority, these peels are made of NSF and USDA listed material. Available in a variety of sizes to accommodate both personal-sized and family-style portions.

With a diameter of 11" and handle length of 5", this round pressed wood peel is perfect for artfully serving pizza, sandwiches, artisanal bread, and charcuterie. Unlike traditional wood peels and boards, this high-quality peel is made of NSF and USDA listed material that does not harbor bacteria and will last long in a commercial setting. It features a wooden handle that is comfortable to hold and allows for quick serving. In addition to being highly functional, this peel has a natural beige color and smooth exterior that are a step up aesthetically from typical displayware. Use this peel at your pizzeria, restaurant, bakery, or hotel.
