 **California Prop 65 Warning**

With free-swinging decorative handles and a stylish hammered texture, our Black Rectangular Hammered Tubs are a step up from the tubs commonly used in cafeterias and at catered events. These tubs come in a range of sizes for a range of needs, from storing silverware to keeping drinks chilled. Hand-wash only.

Use this full-size clear polycarbonate liner to better insulate your beverages and protect your beverage tubs. It is designed to perfectly fit with a variety of our beverage tubs in different finishes. The clear design will blend easily with every tub so it takes up as little visual real estate as possible. Create the perfect aesthetic without worrying about damage. Pair it with our Black Twilight crate for an extra unique and attractive look.

- Polycarbonate
- Clear
- Dishwasher Safe
- Durable, Insulated Insert
