Designed to fit a standard full-size chafer pan or multiple smaller pans, these wrought iron chafer frames take a chafer kit and make it the perfect marriage of functional and fashionable. With built-in slots for fuel holders, they'll streamline your chafer setup with the utmost professionalism.

Bring a little whimsy to your catering toolkit with this ornate wrought iron chafer stand. Your guests will admire the beautiful swirling framework as they approach your buffet. With a spot to hang fuel holders, a spoon/cup holder and side handles for easy transport, this frame is the ultimate in chafer kit presentation. Chafer kits and fuel sold separately.
