Experience the ultimate in style and functionality with our collection of bar trays and liners. Our stainless steel bar trays, adorned with a sleek brushed lip, come in various diameters to suit your serving needs. Pair them with our clear mesh liners (sold separately) for an effortlessly clean, polished, and practical solution that makes serving drinks and snacks a breeze. Looking for something different? Our black nonslip bar mat ensures stability and sophistication, while our naturally nonslip cork bar tray offers a charming and eco-friendly alternative for a liner-free, secure serving experience.

This bar tray liner is 9-1/2" in diameter, which fits perfectly inside the SSBT11 stainless steel bar tray. It is clear mesh, which adds a non-skid layer to your tray. You won't need to worry about spills and your staff will find a tray far easier to steady thanks to this liner. Serve cocktails or cakes with ease with this handy 9-1/2" liner!

- Polyethylene
