Inspired by classic china, these timelessly nostalgic pieces feature beautiful floral designs that could pass as individually made. Whether you use them to serve entrées, hors d'oeuvres or desserts, your customers just might be transported to a Florentine patio when this collection reaches the table. Because the Isabella Collection is crafted from BPA-free, NSF-approved melamine, you can create elegant presentations day after day and night after night without concerns of safety or durability.

Serve up bread and small bites on this perfectly proportioned 6-1/2" diameter melamine B&B plate. Its coupe design adds an elegant touch to this vintage line. And its blue rim and floral center perfectly complement the other items in the Isabella Collection or add a pop of color to any tabletop.
