The art deco look on these stainless steel creamers transports you back in time to the school cafeteria.

This 2-1/2 ounce, sleek and unique black satin stainless steel creamer isn't just good for cream – you can transform the way you serve dressings, syrup, and other condiments with this unique little piece! Its small 2-1/2 ounce capacity is perfect for single portions. The open top design, subtle pour spout, and bold black finish give it an attractive, modern feel that will automatically elevate your tabletops. Plus, it's durable and it's dishwasher-safe! Pair it with more of our black stainless steel accessories to give your tabletop a modern, trendy feel.
