The art deco look on these stainless steel creamers transports you back in time to the school cafeteria.

This 4-1/2 ounce black satin stainless steel creamer will create a contemporary and chic feel for your beverage service. It's also versatile enough to be used for individual portions of syrup, dressings or sauces. The black satin finish is a bold neutral, which will catch eyes yet still blend well with all of your decor. Create a voguish tabletop with this sleek, simplistic creamer!
