These innovative server-scissors can both cut and serve even the heartiest deep dish pies. Featuring an ultra-sharp 4-3/4" stainless steel blade, these scissors are great for cutting through pizzas of any thickness, flatbreads, quesadillas, and pastas. The rubber handle offers a comfortable grip, so you can have complete control when cutting. Designed with convenience in mind, these scissors also have a built-in server. This means more efficiency and less dirty dishes! Plus, the detachable construction allows you to easily separate the handle and blade and place them in the dishwasher. Use these scissors at your pizzeria, restaurant, diner, bakery, or hotel kitchen.
