These clear polycarbonate domes do more than keep your food fresh. They'll entice guests from all angles and add intrigue to your display, too. They deliver on versatility, too – pair them with items from our Lift and Upton Collections for the ultimate showcase.

This 11" diameter clear polycarbonate dome shields fresh pastries and baked goods from contaminants and preserves their freshness without shielding them from your guests' view. Its polycarbonate material is easy-to-sanitize and has the look of glass, minus the fragility. So you can put concerns about breakage out of mind, while the delectable items within are on full, enticing display. Plus, its classical dome shape lends a touch of elegance to any setting while its round handle makes for easy handling.
