Dinnerware has a new standard. The Jane Collection, our "basic" dinnerware line, is anything but ordinary. Simple and versatile by design, these plates, bowls, cups and platters serve as ideal backdrops for all types of menu items. From low-key lunches to gastronomically-inspired dinners, the possibilities are practically endless. We chose to craft the Jane Collection from melamine for two reasons: First, it's exceptionally resilient to the bumps, bangs and bounces that find their way into every kitchen. This dinnerware is in it for the long haul. Second, melamine is dishwasher-safe. No matter how you're inspired to fill these blank canvases, cleaning and reusing them is a cinch.

Use this 1 ounce, white melamine sauce cup from the Jane Collection to serve your dips, sauces, and garnishes without distracting from your plate. This subtle sauce cup is a simple white design that will properly highlight your sauces and dips. Best of all, its melamine construction ensures durability and easy cleaning. Pair it with more of the dinnerware from the Jane Collection for a simple, classic presentation.
