Dinnerware has a new standard. The Jane Collection, our “basic” dinnerware line, is anything but ordinary. Simple and versatile by design, these plates, bowls, cups and platters serve as ideal backdrops for all types of menu items. From low-key lunches to gastronomically-inspired dinners, the possibilities are practically endless. We chose to craft the Jane Collection from melamine for two reasons: First, it’s exceptionally resilient to the bumps, bangs and bounces that find their way into every kitchen. This dinnerware is in it for the long haul. Second, melamine is dishwasher-safe. No matter how you’re inspired to fill these blank canvases, cleaning and reusing them is a cinch.

This 12 ounce, 6-5/8” diameter crisp white bowl is ideal for serving soups or sides. The shape and color of this bowl is a timeless look that will blend easily with the rest of your table decor. It has a narrow rim that makes it easy to grip and adds to its more classic look, while still maintaining a simple, minimalistic appeal. Dress it up or down by pairing it with more of our items – such as items from our Jane Casual Collection or the Isabella Collection!
