Dinnerware has a new standard. The Jane Collection, our “basic” dinnerware line, is anything but ordinary. Simple and versatile by design, these plates, bowls, cups and platters serve as ideal backdrops for all types of menu items. From low-key lunches to gastronomically-inspired dinners, the possibilities are practically endless. We chose to craft the Jane Collection from melamine for two reasons: First, it’s exceptionally resilient to the bumps, bangs and bounces that find their way into every kitchen. This dinnerware is in it for the long haul. Second, melamine is dishwasher-safe. No matter how you’re inspired to fill these blank canvases, cleaning and reusing them is a cinch.

This 24 ounce, 7-3/4” diameter narrow rim bowl has ample space to serve anything from pasta to a poke bowl. It has a simple, crisp white color that will easily blend with your decor. Use it with more of our melamine dinnerware for a durable, dishwasher-safe, and attractive overall look. The Jane Casual Collection is an awesome way to dress things down, and more from the Jane Collection will keep things simple and classic!
