Communicate whatever you need to with these two-sided signs designed to be mounted on retractable barriers. Simply slide them over the top of the post for instant customer communication.

Available in multiple colors and orientations so you can choose the perfect sign for your setup.

Establish a safe, controlled, organized venue with this simple, sleek stainless steel retractable barrier system. It contains 84" of black nylon tape, ensuring plenty of length for any venue size and a dynamic contrast to the glossy stainless steel poles.
