Popular demand has prompted us to add these two-sided signs and coasters designed to be mounted on all Securit retractable barriers. Simple to attach and remove from barriers, these signs help you configure your space exactly as you need. Available in multiple orientations and finishes, your signs will blend beautifully with any decor.

This two sided 11" W x 8-1/2" H black retractable barrier system sign is a smart, modern way to communicate whatever you need to. Its horizontal orientation gives you the space to say what you need to clearly.

- Stainless Steel
- Silver
- Wipe with Damp Cloth
- Sturdy Signage for Barrier Posts
