Poolside food service presents a unique set of challenges, and the Del Mar Collection is designed to meet all of them. Crafted from lightweight ABS

plastic (a BPA-free, dishwasher-safe material), these stackable serving boxes can be used as both delivery trays and dinnerware. With stylish water inspired details and modular design, they're the ideal way to present light fare indoors and out. Just remember to wait 30 minutes before going back in.

This white 1/2-size insert will fit solidly into your B12G and B12W bowls, giving you the opportunity to split meals by portions, entrées and sides with ease. They'll make transporting food simple and eliminate plating and presentation worries. Pair with the compatible lids (BL10W and BL10G) to protect your food from airborne contaminants, and serve.
