With stylish water inspired details and modular design, they're the ideal way to present light fare indoors and out. Just remember to wait 30 minutes before going back in.

This 1/2-size white plastic insert fits right into the B11G and B11W rectangular serving bowls! Use them to build the perfect look for your delicious entrées and sides without worrying about cross-contaminating foods and flavors. Best of all, they are made from highly durable ABS plastic and they're dishwasher-safe, so you can use them time and again.
