Poolside food service presents a unique set of challenges, and the Del Mar Collection is designed to meet all of them. Crafted from lightweight ABS

plastic (a BPA-free, dishwasher-safe material), these stackable serving boxes can be used as both delivery trays and dinnerware. With stylish water inspired details and modular design, they're the ideal way to present light fare indoors and out. Just remember to wait 30 minutes before going back in.

Make sure your portions are on point by using this handy 1/2-size white plastic insert for your B11G and B11W rectangular serving bowls! Pair it with another 1/2-size insert, or two 1/4-size inserts to make sure your guests are getting exactly what they want at the size they want.
