A staple item for every bar, strainers sift out impurities while allowing flavors to mingle in each cocktail. Available in multiple stainless steel options to fit specific crafting requirements. Dishwasher-safe.

This 6-1/4" L stainless steel Julep strainer allows you to craft mouthwatering Mint Juleps without the citrus seeds, pulp and mint leaves for a smooth and sweet result. This strainer can be used to help you craft more than just the Mint Julep, though – use its durable, wide, perforated surface to strain ice and herbs in any number of delicious cocktails.
