Finally, a contemporary take on melamine dinnerware that provides the ultimate canvas for today's modern cuisine: The Unity Collection. Named for the intersection of form and function, the Unity Collection combines a clean, straight-sided and stackable design with the durability of melamine. The result is delectably inspiring. Available in a wide variety of shapes, sizes and capacities, this dual-toned collection features colorways to approach both the coolest and warmest of decors. Intermix the Graphite and Mocha colors together, add a splash of stainless and a touch of Tritan™ and your recipe is complete. The look is truly extraordinary.

This 10" square serving tray doubles as a serving bowl thanks to its 1-1/2" sides and 60 ounce capacity! Whether you're passing a tray of hors d'oeuvres at a catered event or serving pasta or salad to the table, this piece has your back. And it has a gorgeous dual tone – white on the inside to highlight your food, and graphite on the exterior for a rich presentation. Pair it with more from the Unity Collection to bring together the entire look!
