Finally, a contemporary take on melamine dinnerware that provides the ultimate canvas for today's modern cuisine: The Unity Collection. Named for the intersection of form and function, the Unity Collection combines a clean, straight-sided and stackable design with the durability of melamine. The result is delectably inspiring. Available in a wide variety of shapes, sizes and capacities, this dual-toned collection features colorways to approach both the coolest and warmest of decors. Intermix the Graphite and Mocha colors together, add a splash of stainless and a touch of Tritan™ and your recipe is complete. The look is truly extraordinary.

Step up the way you serve anything from salad to stew by using this 24 ounce, 5-3/4" diameter mocha and white bowl. It has ample space to serve hearty portions without going over the top, and it has a flat bottom with high 2-1/4" sides to add more options in how and what you serve. The mocha exterior and white interior are also easy to match while simultaneously providing a unique color and design to the table. Pair it with more colors, materials, shapes, and sizes from the Unity Collection to create a cohesive look!
