Who says flatware should be the only touch of silver at a place setting? The Unity Collection's satin-finished stainless steel plates and bowls not only bring together form and function at the table, but they unite different materials in a beautiful marriage of modern sophistication. Use as the star of the show or as an accessory; each piece is beautifully designed to add a bit of sparkle to your meal.

Use this elegant 10" diameter satin-finish piece as either a tray or a 60 ounce bowl! The versatility makes it a fantastic item for a catered event, and a useful addition to the kitchen. The satin stainless steel finish adds a contemporary, eye-catching dynamic to your display that will pair beautifully with the look of wood or marble. It holds 60 ounces – ideal for serving a shareable or large portion of pasta or salad. Or use the 10" diameter to showcase hors d'oeuvres or an entrée and side! Mix and match with some of the melamine pieces from the Unity Collection for an intriguing presentation.
