Who says flatware should be the only touch of silver at a place setting? The Unity Collection's satin-finished stainless steel plates and bowls not only bring together form and function at the table, but they unite different materials in a beautiful marriage of modern sophistication. Use as the star of the show or as an accessory; each piece is beautifully designed to add a bit of sparkle to your meal.

This 6" satin stainless steel plate will set your table apart. Use it to serve a delicious dessert or salad in style. Thanks to its 1/2" sides, it can easily keep your food confined to the plate, limiting drips and spills. And stainless steel brings more than just good looks – it's also extremely durable and dishwasher-safe! Use it alongside some more of our stainless steel plates, bowls and trays for a truly lustrous setup.
