Our Crave Collection of break-resistant melamine dinnerware offers a look that is far from your grandma's melamine. Fast forward to the 21st century, where technological advancements in designs, materials and manufacturing techniques create artisan-quality melamine that captures the look and feel of china – all at a fraction of the cost and two to three times the service life. NSF-certified and BPA-free, the Crave Collection is safe in terms of durability, design and ability to be thoroughly sanitized. In a wide variety of plates, platters, bowls and mugs, each artisanally designed piece features organic edges to elevate food service everywhere.

Give your guests hearty portions of your most delicious ramen dishes and pastas with this 50 ounce, 7-1/2" diameter white (Cloud) noodle bowl from the Crave Collection. With an organic shape and look that gives it a gorgeous handmade feel, and a coupe rim that adds a contemporary feel, this piece is a perfect backdrop for your meals. While it looks handmade, it's actually made from durable and dishwasher-safe melamine, which means it is ideal for hectic environments. Pair it with more of our Crave bowls, plates and mugs for a cohesive look.
