Our Crave Collection of break-resistant melamine dinnerware offers a look that is far from your grandma's melamine. Fast forward to the 21st century, where technological advancements in designs, materials and manufacturing techniques create artisan-quality melamine that captures the look and feel of china – all at a fraction of the cost and two to three times the service life. NSF-certified and BPA-free, the Crave Collection is safe in terms of durability, design and ability to be thoroughly sanitized. In a wide variety of plates, platters, bowls and mugs, each artisanally designed piece features organic edges to elevate food service everywhere.

This 7-1/8" diameter white (Cloud) noodle bowl holds 40 ounces, which is ideal for serving pastas, ramen dishes, pho, and other delicious entrées. It has a coupe design that gives it a contemporary look, and an organic shape that achieves a handmade look. Even better, the melamine construction ensures your bowls are durable, long-lasting and dishwasher-safe! Pair with more from the Crave Collection for cohesive dinnerware.
