Stack your orders and serve with confidence. These non-skid pads fit on top of plate covers, securing each plate in place during transport. Made of textured silicone for extra resistance.

This 6-1/2" diameter silicone pad makes serving stacks of dishes to tables or for room service that much easier. They are designed to keep your plates in place as you bring them from kitchen to table. Stack and serve numerous meals at once without fear. The 6-1/2" diameter is perfect for smaller side, salad or dessert dishes.
