With the look of crystal but the durability of plastic, the Parker Collection's elegant sophistication will certainly turn heads. Made of the Tritan Copolyester, shatter-resistant, ultra-strong, dishwasher-safe material, this line of stemware and heavy-based drinkware is designed to serve where breakage is not an option. Available in a variety of popular shapes, capacities and styles.

This Tritan plastic 9 ounce flute adds more than long-lasting durability to your bar service. Its stemless design makes it sturdier, and it has a tapered look that adds a touch of elegance to your drinks. Between its versatility and its timeless shape, this flute is a must-have. Pair it with more of the pieces from the Parker Collection for a highly durable and highly attractive bar.
