Beautifully grained olive wood handles provide contrast to the mirror-finished stainless blades of these expertly crafted cheese knives. Each knife is designed to serve a different type of cheese, from hard Parmesan to soft Brie, while the fork easily transports each serving to your plate. Pair with an Olive Wood Serving Board to complete the look.

Use this 5" L olive wood hard cheese fork to easily pierce pre-cut slices of cheese, or crumble cheeses like Feta or Cotija. The cheese fork is a vital addition to any cheese knife set, and this one satisfies in more ways than one. Not only does it have a deeper, more ergonomic blade, but its olive wood handle looks absolutely fantastic. Pair it with the rest of our Olive Wood Cheese Knives to complete the set!
