Add a little height to your presentation with our collection of wrought iron pizza stands! Not only are these decorative looking stands perfect for artfully displaying and serving your delectable dishes, they also free up extra space on the table. By elevating the plates, pans, trays, and peels with food, your guests will more easily be able to serve themselves. Choose from different styles to match any venue, whether casual or upscale! These stands are great for buffets and weddings, too.

Finally a pizza stand equally as cool as the pizzas it displays. Made of black iron with a rustic finish, this 7" high stand stylishly saves space on the table while allowing space for condiments underneath. Pair with your favorite wood serving board from the Loft Collection to complete the vibe.
