Beautifully grained olive wood handles provide contrast to the mirror-finished stainless blades of these expertly crafted cheese knives. Each knife is designed to serve a different type of cheese, from hard Parmesan to soft Brie, while the fork easily transports each serving to your plate. Pair with an Olive Wood Serving Board to complete the look.

This 5" L olive wood hard cheese knife is designed to cut cheese but also to help chip away at a block. With one side of the blade designed for semi-hard and the other for hard, this knife is particularly handy when you have a whole array of cheeses ready to cut. Best of all, this piece is gorgeous thanks to its olive wood handle, so you can serve up both fashion and function. Pair this piece with the rest of the Olive Wood Cheese Knives to complete your set.
