Customizing your display is a breeze with these amazing modular risers. Available in a variety of sizes and compatible with a wide variety of platters, you can build out the perfect buffet down to size, color and formation. A scion from the Twilight Collection, these risers have the same chic black look that pairs beautifully with any design, from stately marble to rustic wood.

Create a completely original display with easily accessible tiers with this 10" L x 10" W x 25-1/2" H minimalistic black riser. It has three tiers at 4" H, 13" H and 22" H, so you have ample room to display your delicious bites. Pair it with its sister risers at one and two tiers to build out your display. And beyond the delightful customizable opportunity this riser provides, it's also easy on the eyes. Pair it with its compatible risers in various finishes and colors and watch your guests fawn over your creations.
