Customizing your display is a breeze with these amazing modular risers. Available in three sizes and compatible with a wide variety of platters, you can build out the perfect buffet down to size, color and formation. A scion from the Twilight Collection, these risers have the same chic black look that pairs beautifully with any design, from stately marble to rustic wood.

This black riser from the Twilight Collection measures 10" L x 10" W x 16-1/2" H with two tiers, one at 4" and one at 13" H. With its compatibly sized platters, available in various finishes and materials, you can create a grazing table or display that is entirely original. Even better, when you pair it with its sister risers with one or three tiers, you can make this display as large as you need.
