Bring sophistication and style to your coffee service with these fluted stainless steel creamers. Designed to take up minimal table space and provide a clean pour, these creamers are the perfect union of form and function.

Measuring 2" DIA. x 2" H, this stainless steel creamer has a 2-1/2 ounce capacity that is perfect for single servings of cream or syrup. Designed to have a small footprint, you still have ample room for the rest of the meal, but you can still ensure that every part of the dish is exceptional. Pair this creamer with our stainless steel coffee accessories to complete the look.
