Bring sophistication and style to your coffee service with these fluted stainless steel creamers. Designed to take up minimal table space and provide a clean pour, these creamers are the perfect union of form and function.

This 2" DIA. x 3-1/2" H crimped stainless steel creamer has a 4-1/2 ounce capacity that makes serving cream or syrup to a table for two simple. Beyond that, it looks absolutely stunning thanks to its sleek stainless steel make and unique crimped design. Pair it with more of our stainless steel coffee accessories to complete the look!
