Power your buffet without limits. The BuffetBoost Battery Collection delivers the freedom to go cordless, keeping every presentation effortless and adaptable. At its core is our high-performance lithium-ion battery, designed for compatibility across all BuffetBoost products. The collection expands with versatile charging and power accessories that simplify setup and mobility from buildable charging trays to the flexible PowerPack. Wherever your culinary vision travels, BuffetBoost Battery keeps the energy flowing.

Our optional portable BuffetBoost Lithium-Ion Battery is the ultimate accessory for BuffetBoost's Warming Block, providing the freedom to cater anywhere, without the need for a constant power supply. Designed to charge quickly and to last for over 3 hours\*, this portable battery ensures your food service is not limited by location, making it perfect for outdoor events, remote catering, or any venue where power access or flame heating is a challenge.
