When laid-back presentation won't cut it, our Mix & Matte Collection of melamine dinnerware lends an air of luxury. Designed to be mixed and matched (hence the name), these matte white, gray, black and marble pieces can stand up to even the noblest menu items. Each item in this line can be paired together. Layer plates and bowls for a dimensional look. This melamine dinnerware line is resilient to the bumps, bangs and bounces that find their way into every kitchen. The Mix & Matte Collection is versatile and can pair well with a variety of buffet and tabletop accessories that we offer at American Metalcraft.

With a capacity of 36 ounces, this 8-3/4" diameter bowl provides a hearty helping of your finest pasta, soups or desserts. The versatile coupe shape can be used as both bowl and plate, allowing for creative plating options. Its matte black finish provides a modern touch that can easily be mixed and matched with other items in the line. Beautiful enough to stand on its own or be layered with other pieces – the possibilities are endless.
