When laid-back presentation won't cut it, our Mix & Matte Collection of melamine dinnerware lends an air of luxury. Designed to be mixed and matched (hence the name), these matte white, gray, black and marble pieces can stand up to even the noblest menu items. Each item in this line can be paired together. Layer plates and bowls for a dimensional look. This melamine dinnerware line is resilient to the bumps, bangs and bounces that find their way into every kitchen. The Mix & Matte Collection is versatile and can pair well with a variety of buffet and tabletop accessories that we offer at American Metalcraft.

Use this 6" diameter simple, crisp black melamine plate to serve dessert or as a bread plate. However you use it, it will add an elegant backdrop to uplift whatever you're serving. Designed to match perfectly with other pieces from the Mix & Matte Collection, you can create the ultimate cohesive, contemporary look just by pairing it with other items.
