When laid-back presentation won't cut it, our Mix & Matte Collection of melamine dinnerware lends an air of luxury. Designed to be mixed and matched (hence the name), these matte white, gray, black and marble pieces can stand up to even the noblest menu items. Each item in this line can be paired together. Layer plates and bowls for a dimensional look. This melamine dinnerware line is resilient to the bumps, bangs and bounces that find their way into every kitchen. The Mix & Matte Collection is versatile and can pair well with a variety of buffet and tabletop accessories that we offer at American Metalcraft.

Measuring at 9" in diameter, this coupe-style plate serves as the perfect canvas for anything from salads to appetizers to desserts. The matte black finish and simple rimless shape provide a contemporary and modern touch and can easily be mixed and matched with any other plate or bowl in the line. Use on its own or with other pieces from the Mix & Matte Collection – the possibilities are endless!
