Bring laid-back coastal charm to the table with Hampton Collection plates and serving boards. Crafted from sun-bleached mango wood and crisp white finishes, they offer a light, airy foundation for everything from small bites to abundant spreads, blending natural warmth with effortless beach-inspired style.

Add a splash of seaside serenity with this 9" diameter sun-bleached mango wood plate! It's the perfect size for showing off cakes, pies, or a fresh batch of cookies, all while keeping everything neatly in place with its raised rim. For a cohesive, beachy look, pair it with the matching sun-bleached ribbed pedestal, or mix things up with a white pedestal for an eye-catching pairing—think white seashells against a sandy shore. Whether on display or at the table, this plate brings a breezy, relaxed vibe to any setup. Handcrafted by artisans in India, each piece carries unique variations in texture and color—a true mark of its natural beauty.
