The Black Twilight Modular Display Cases bring effortless style and smart design to your countertop. Clear acrylic drawers showcase fresh pastries or neatly organized essentials, while the matte black metal frame adds modern sophistication. Each case features clever stacking pins and top openings so you can build your display your way—double up, mix and match, or create a custom configuration that fits your space. However you stack them, the result is always sleek, functional, and beautifully put together.

Full-size, full effect. With built-in slide rails for smooth operation, this 20-7/8" L x 13-3/4" W x 7-7/8" H case gives pastries, breads, or front-of-house essentials the visibility they deserve. Clear acrylic drawers ensure every item shines, while the matte black frame keeps the look refined. Stand alone as a commanding countertop piece, or pair with 1/2 and 1/4-size cases (sold separately) to create a stacked modular display that's practical, organized, and visually appealing.
