The Black Twilight Modular Display Cases bring effortless style and smart design to your countertop. Clear acrylic drawers showcase fresh pastries or neatly organized essentials, while the matte black metal frame adds modern sophistication. Each case features clever stacking pins and top openings so you can build your display your way—double up, mix and match, or create a custom configuration that fits your space. However you stack them, the result is always sleek, functional, and beautifully put together.

Keep your TDC5 display case (sold separately) looking sharp and running smoothly with this quarter-size replacement drawer. Crystal-clear, durable, and ready for action, it swaps in to replace scratched or worn acrylic without touching the frame. A quick refresh keeps your modular display polished, functional, and ready for anything you want to showcase.
