Say goodbye to the guessing game—our Handled Stainless Steel Jiggers bring precision, style, and durability to every pour. Crafted from high-quality stainless steel, these jiggers are built to last and stamped with their capacities, so you always know exactly what you're working with. The sleek handles provide a secure grip, even when the bar is buzzing. Whether you're crafting a signature cocktail or perfecting a coffee syrup ratio, these jiggers are your trusty sidekicks for consistent, spill-free measuring.

Precision meets convenience with this 1 oz. x 2 oz. Handled Jigger—the ultimate tool for mixologists and baristas alike! Featuring full-circle internal markings at 1/4, 1/2, 3/4, 1, and 1 1/2 oz., this jigger takes the guesswork out of measuring, so you can craft the perfect cocktail or coffee syrup infusion every time. The modern handle design ensures a steady grip in even the busiest settings, from packed bars to high-energy cafes. No matter the recipe, this jigger's got your back—because great drinks start with the right pour.
