Power your buffet without limits. The BuffetBoost Battery Collection delivers the freedom to go cordless, keeping every presentation effortless and adaptable. At its core is our high-performance lithium-ion battery, designed for compatibility across all BuffetBoost products. The collection expands with versatile charging and power accessories that simplify setup and mobility from buildable charging trays to the flexible PowerPack. Wherever your culinary vision travels, BuffetBoost Battery keeps the energy flowing.

Take your charging setup on the move with the Buffet Boost Charging Tray Caster Set. This set of five risers with attached casters swaps in seamlessly for the standard risers on your BuffetBoost Charging Tray, giving you smooth mobility without sacrificing stability. Roll your fully loaded charging tower wherever service demands, then lock it in place with the built-in brakes. Whether you're recharging in back-of-house or repositioning on the fly, these casters keep your power station flexible, mobile, and ready for action.
